AMENDMENTS TO THE SPECIFICATION

Please amend the paragraphs beginning at line 8 on page 7 as follows:

~~Figure 1C (Prior Art) is a block diagram which illustrates the transmitted result of conventional application-level encryption.~~

Figure 1C [[1D]] (Prior Art) is a block diagram which illustrates a conventional transcoding process in an encrypted media stream.

Figure 1D [[1E]] (Prior Art) is an illustration of <u>coded frames associated with</u> a conventional video compression scheme employed in streamed media communication.
